AND EXPANDED ITS BOUNDARIES AND ACHIEVED
A STRONG DIVERSIFICATION .

IN THE LAST 4 YEARS THE GROUP HAS
DECIDED TO REALIZE A NEW PROJET CALLED

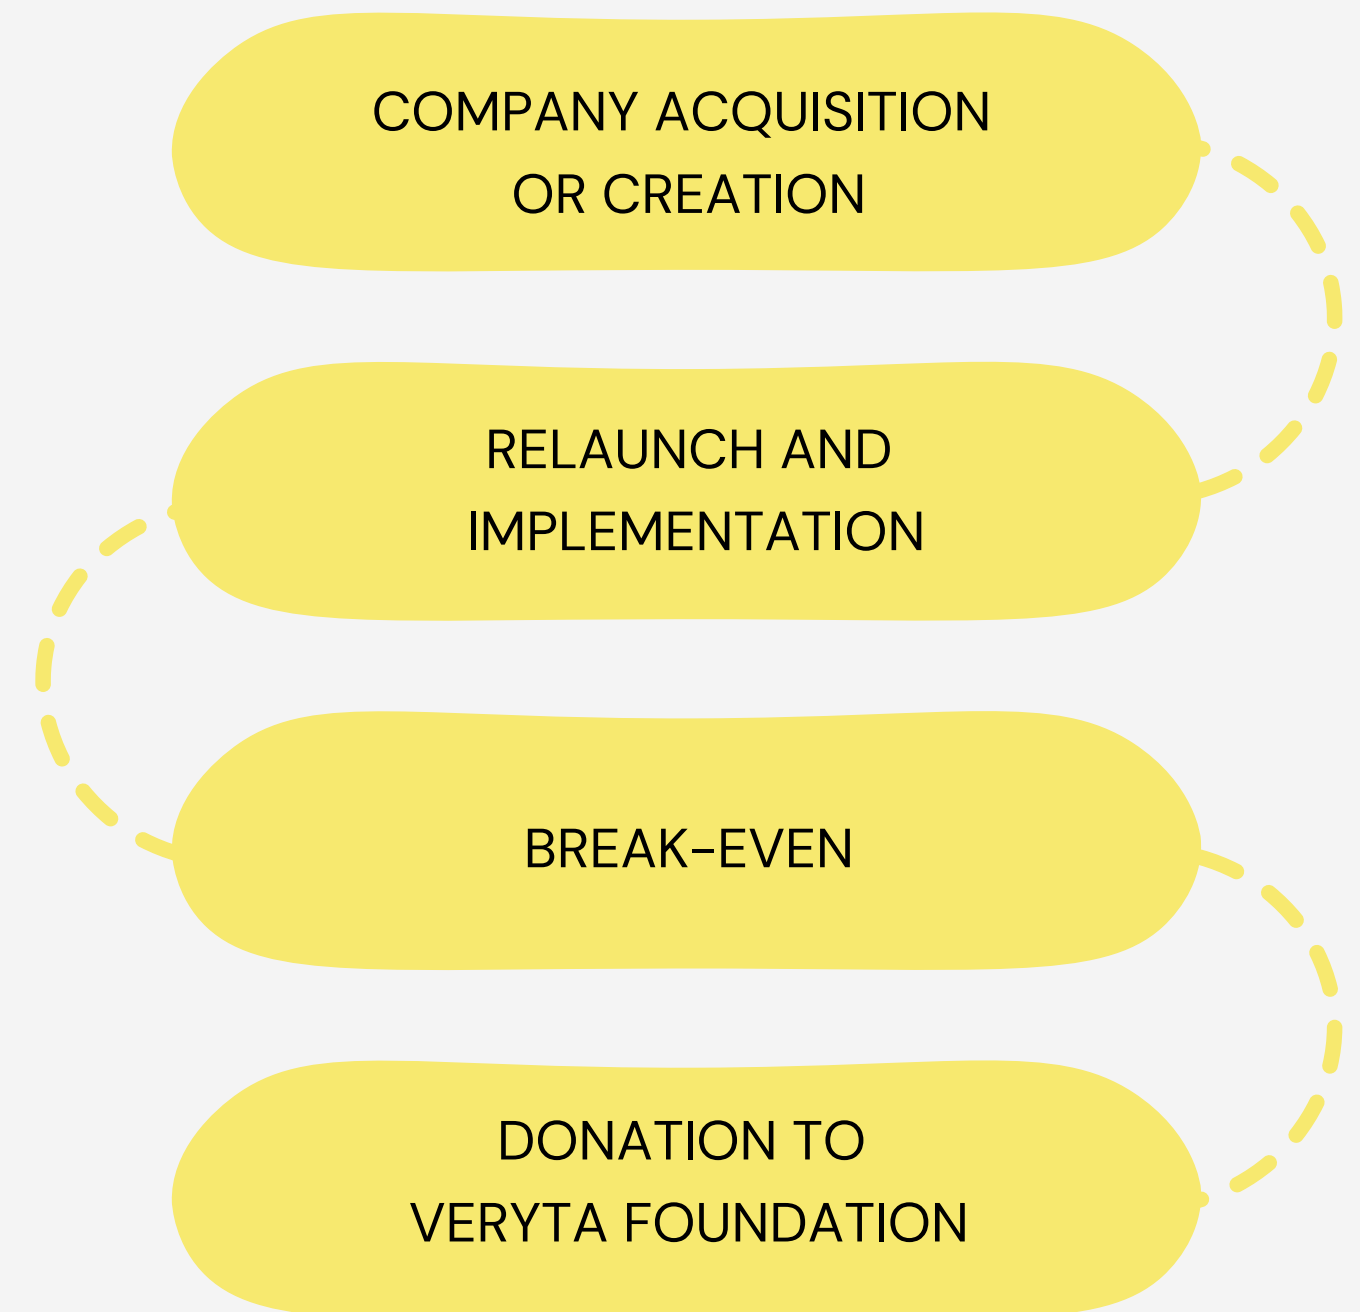

Veryta Foundation

About Veryta Foundation

The Veryta Foundation is committed to:

- preserving the manufacturing traditions of the Como district
- promoting activities to support the territory and the skills of Italian tradition by implementing various initiatives
- building a new business model based on strong ethical values, ecological and human sustainability

Through directly controlled activities, the foundation aims to generate economic value that can be distributed to training and job placement projects, creating social benefits and added value for the community.

VERYTA HUB S.R.L.

Shares the same mission and values of Veryta Foundation and is its operating arm. The company operates in the field of sustainable development, enhancement, protection and conservative recovery of those activities, professionalism, know how and locations that are relevant for the textile district and local communities in general.

Veryta Hub acts as a start-up incubator, and is currently managing the following businesses:

- VERYTA LOOM
- VERYTA PASSAMANI
- VERYTA SILK
- VERYTA FAIRTRADE

Furthermore, following Veryta-related businesses have already become active and independent companies:

- VERYTA BIOMATERIAL
- VERYTA RECYCLING
- VERYTA SEA

School for Children Onlus

Beyond Veryta Foundation

School for Children was born in 1973 from the initiative and commitment of a group of professionals and entrepreneurs. Legally established in 2005, recognized in 2006 as an ONLUS (Non-Profit Organization of Social Utility), School for Children develops projects that allow sustainable and long-term improvements for the benefit of children and their families.

School for Children carries out its activity in the states of Maharashtra, city of Mumbai, and Telengana (city of Khammam and Warangal), in close contact with local communities and governmental and non-governmental organizations, engaged in the area, partners in the implementation of projects education and socio-environmental development.

Realized Projects

REMEDIAL SCHOOL

In Khammam District, Telangana (India) in March 2006 the first two-story building, with classrooms, dormitories, bathrooms and a kitchen was inaugurated in March 2006

MALLIKAMBA INSTITUTE

Takes care of psycho-physical health of orphans and individuals with disabilities residing in institutions. It is important to know that in India, people with disabilities are marginalized in society. Therefore, institutions represent the only opportunity for them to survive and be accepted as individuals. The institute currently hosts 169 children and adolescents with moderate to severe physical and/or mental disabilities.

School for Children Onlus

Ongoing Projects

CONSTRUCTION OF HAND-DUG WELLS

In association with Bala Vikasa Social Service Society to realize 250 hand-dug wells in 150 villages of the Khammam and Warangal Districts. To date, 167 wells have been constructed.

PURCHASE OF SEWING MACHINES

To promote social and economic self-employment, especially for women, in rural areas to improve the quality of life through a vocational training program. This is an opportunity for 60 young women aged 16 to 25 who live in these rural areas on the margins of Indian society.
